TAPE SCRIPT

I was born in Montreal, but live in the Tyrol now. My parents moved to Austria when I was 2 years old. Mum is Austrian. So I speak German with her and English with dad. I have got one older brother, Jack, who is 18, and Jennifer, my little sister, who is 7. Jennifer is sometimes a pest. I often argue with my parents, because they allow her to do things I was not allowed to when I was her age. Jack is great. He takes me to the cinema from time to time and sometimes I can even go to the disco with him.

My school is in Innsbruck. It's a big school. There are about 800 pupils. What I like best about school is the new gym and Mr Berger, our sports teacher. I love sports. My favourite is football. I even play in the school league team. My best friend is Sarah. She sits next to me in class, and we both go to the drama club at school. Acting is another favourite activity of mine that comes right after football. I want to join the dancing club next term, but mum says I can't if my grades in maths don't get better. I will have to work harder on it, I think.
