UNTERLAGE FÜR DIE LEHRKRAFT

TAPE SCRIPT

Narrator: Karen, if you had three wishes what would they be?

Karen: If I had three wishes? That's difficult. Let me think ...

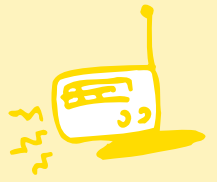

First I think I would like to have a horse. I have wanted a horse since I was five years old and I am a really good rider, so I would love to have my own horse. – My second wish would be to live in a big house in the country with all my family, so that I can go riding every day and that we have stables and can be outdoors in the fresh air. – My third wish would be to get good marks in school without studying a lot. That would be great!!!

Narrator: Jack, if you had three wishes what would they be?

Jack: Three wishes? That's really easy! First I would wish for a BMX bike, because I want to be able to do all the stunts. That would be brilliant! – Then I would like to be in a really successful rock band. I want to be their drummer. – And third, I want all my family to be healthy. My grandma has been in hospital for three weeks now. I wish she was healthy again so that we can all celebrate my birthday together.

Narrator: Liz, what would you do, if you had three wishes?

Liz: I don't really need anything you can buy in a shop. My mum and dad fight all the time. My first wish is that they stop fighting. – My second wish is that I can go to a different school, because the girls often laugh at me in my school. – And my third wish which you can actually buy in a shop is an MP3 player so that I can listen to music on my way to school.
